PETITION FOR LEAVE TO AMEND AND AMENDMENT

Sample Broadcasting Company, L.P., ("Sample") by its attorney hereby petitions for leave to amend the above referenced application. This amendment is filed pursuant to Sections 73.3522 and 1.65 of the Commission's rules to update the broadcast interests of Bruce H. Linder, Sample's non-attributable principal, and his immediate family. In support thereof the following is shown.

This amendment is minor and technical in nature and is provided in order to keep the application true and correct pursuant to Section 1.65 of the Commission's rules. It reports that on December 30, 1992, Bruce Linder and his father, Donald Linder, each became officers and directors in Plum Creek Broadcasting Co., licensee of station KARL(FM) Tracy, Minnesota. In addition, KMHL Broadcasting Company became the 100% shareholder of Plum Creek. These interests

were obtained at the consummation of the transfer of control of Plum Creek Broadcasting Co., authorized by the Commission in File No. BTCH-921006GZ, on December 17, 1992.

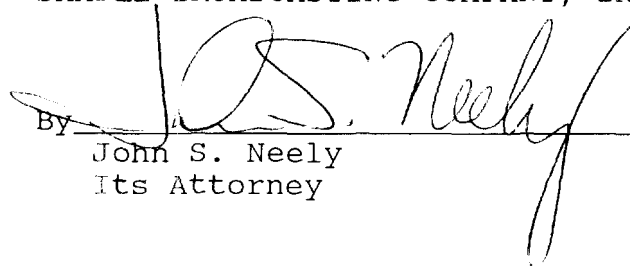

In order for Sample's amendment to be accepted, it must show good cause. Erwin O'Connor, 22 FCC 2d 140 (Rev. Bd. 1970), requires that the amendment (1) was prepared with diligence; (2) was not required by the voluntary act of the applicant; (3) will not necessitate modification or addition of issues or parties; (4) will not disrupt the orderly conduct of the hearing or necessitate additional hearing; (5) will not unfairly prejudice other parties; and, (6) will not cause the applicant to gain a comparative advantage.

Sample's amendment meets each of the O'Connor requirements. As reported, the interests were acquired on December 30, 1992, and are being reported within the thirty day period set forth under Section 1.65 of the rules. This amendment, therefore, is timely. Bruce and Donald Linder's acquisition of an additional broadcast interest was not caused by any voluntary act of Sample. Inasmuch as Bruce Linder is a passive equity investor in Sample, his personal broadcast interests are of no significance to this comparative proceeding and will not necessitate modification or addition of issues or parties, nor will it disrupt this proceeding. This amendment is for reporting purposes only, will not unfairly prejudice any other party to this proceeding and will not affect Sample's comparative stature before the Commission.

Accordingly, there is good cause to accept the attached amendment.

Respectfully Submitted,

SAMPLE BROADCASTING COMPANY, INC.
